13 CHANGE CONTROL

- 13.1 If Bridge Fibre wishes to request a change to the Services, Bridge Fibre shall issue the Customer with a new Services Agreement, which will include details of the change to the Services and any variations to the charges arising from the change.
- 13.2 If the Customer wishes to request a change to the Services, the Customer will submit a change request to Bridge Fibre describing the proposed change.
- 13.3 The party receiving the change request, in accordance with clause 13.1 or clause 13.2 above, will provide a response to the change request within 14 days of receipt (or such other time as is agreed between the parties). Where the party requesting the change is the Customer in accordance with clause 13.2, Bridge Fibre will in its response to a change request from the Customer issue a new Services Agreement, which will include details of any variations to the charges arising from the change.
- 13.4 If the parties agree to proceed with the change, the parties shall agree and sign the new Services Agreement issued by Bridge Fibre.
- 13.5 In the event that the parties are unable to agree on the proposed change and unless and until a new Services Agreement is signed by the parties, the party submitting the change will withdraw the change request and the Contract shall continue without change. Where the Customer is unwilling to agree on a change proposed by Bridge Fibre in accordance with clause 13.1 and Bridge Fibre notifies the Customer that it is unable to continue to providing the Services without making the change, the Customer shall have the option of terminating the Contract on 3 months' notice (without any further liability).
- 13.6 If Bridge Fibre requests a change to the scope of the Services in accordance with this clause 13, the Customer shall not unreasonably withhold or delay consent to it. Bridge Fibre shall not be under any obligation to agree to any changes requested by the Customer pursuant to this clause 13.

14 DURATION AND TERMINATION

- 14.1 The Contract shall commence on the Commencement Date and the Initial Term shall run from the Service Commencement Date. Unless terminated earlier in accordance with the remainder of this clause or as otherwise stated in the Services Agreement, the Contract shall continue for the Initial Term. At the end of the Initial Term, the Contract shall automatically continue on a rolling basis ("**Renewal Period**"), unless and until terminated either: (i) in accordance with the remainder of this clause; (ii) as otherwise stated in the Services Agreement; or (iii) if either party gives to the other party one (1) months' notice to terminate, expiring on or after the end of the Initial Term.
- 14.2 The Customer may terminate the Contract immediately by notice in writing at any time before the Service Commencement Date in the event that: (a) the supply of any aspect of the Services is stated to be "subject to survey"; and (b) the results of such survey indicate that the Customer will be required to invest additional sums in order to receive the Services, that there will be a significant delay in the provision of the Services and/or that Bridge Fibre cannot provide the Services at the relevant location or for any other practical or technical reasons. Notice of termination under this clause 14.2 must be received by Bridge Fibre within 5 days of the Customer receiving the results of the survey.
- 14.3 Without affecting any other right or remedy available to it, the Customer may terminate the Contract or any Service at any time during the Initial Term by giving 1 months' written notice to Bridge Fibre, subject to the Customer paying the Termination Payment as calculated in accordance with clause 15.2.
- 14.4 Without affecting any other right or remedy available to it, either party may terminate the Contract with immediate effect by giving written notice to the other party if:
- 14.4.1 the other party commits a material breach of any term of the Contract and (if such a breach is remediable) fails to remedy that breach within 30 days of that party being notified in writing to do so;

- 14.4.2 the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business; or
- 14.4.3 the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business.
- 14.5 Without affecting any other right or remedy available to it, Bridge Fibre may terminate the Contract:
- 14.5.1 with immediate effect by giving written notice to the Customer if:
- (a) the Customer fails to pay any amount due under the Contract on the due date for payment;
 - (b) the Customer or any Customer Authorised User breaches any term of the Acceptable Use Policy; or
 - (c) there is a change of control of the Customer.
- 14.6 In the event of termination of any VOIP Services under the Contract, in addition to any Termination Payment which may be payable in accordance with clause 15.2, the Customer may also be required to pay Bridge Fibre a proportion of the sum equivalent to the call charges for the remainder of the Initial Term or (if applicable) any Renewal Term in relation to the VOIP Services. The call charges payable by the Customer shall be calculated by reference to the average of the last three full months call charges (or, if less than three months call charges can be shown, the average of the months that can be shown) and the average shall be multiplied by the number of unexpired months of the Initial Term or (if applicable) any Renewal Term ("**the Average Charge**"). Bridge Fibre shall charge the Customer an amount equal to 40% of the Average Charge. The Customer acknowledges and agrees that this amount is a genuine pre-estimate of the loss likely to be suffered by Bridge Fibre in the event of early termination by the Customer of the VOIP Services and not a penalty.

15 SUSPENSION OF THE SERVICES

- 15.1 Without affecting any other right or remedy available to it, Bridge Fibre may suspend the supply of Services under the Contract or any other contract between the Customer and Bridge Fibre if: (i) the Customer fails to pay any amount due under the Contract on the due date for payment, or the Customer cancels their direct debit method of payment (if applicable); (ii) the Customer or any Customer Authorised User breaches any term of the Acceptable Use Policy; (iii) the Customer becomes subject to any of the events listed in clause 14.4.2 to clause 14.4.3 or Bridge Fibre reasonably believes that the Customer is about to become subject to any of them; (iv) Bridge Fibre is instructed to do so by a court of law, regulator or other appropriate authority; (v) Bridge Fibre reasonably considers that the Customer's use of the Services is in breach of the Acceptable Use Policy or otherwise poses a security risk to the Services or any third party or may subject Bridge Fibre or any third party to liability or for any other emergency reason; or (vi) for repair, maintenance or improvement works. Where the Services are suspended due to the Customer's default, Bridge Fibre will not provide the Services again until it is satisfied that the Customer has taken such action as is required to rectify the default or where the Services have been used in an unauthorised or prohibited manner Bridge Fibre is satisfied that the Customer will not use (or permit the use of) the Services in such way again. If Bridge Fibre suspends the Services because the Customer breaches the Contract, the Contract will still continue unless and until Bridge Fibre notifies the Customer in writing that it is treating the Contract as terminated in accordance with clause 14.4.1. Bridge Fibre shall have the right to charge a reasonable administrative fee to cover costs incurred resulting from the suspension of Services and, for the avoidance of doubt, will be entitled to make a charge for the Services during any period of suspension.
- 15.2 Without affecting any other right or remedy available to the parties, in the event that the Contract or a Service is terminated or otherwise brought to an end by the Customer, pursuant to clause 14.3 above, the Termination Payment shall be payable by the Customer. For the purpose of this clause, the Termination Payment shall mean:
- 15.2.1 where termination occurs after the Service Commencement Date: (i) all arrears of Charges payable under the Contract up to the date of termination plus (ii) all remaining Charges not yet paid which would otherwise have been payable for the remainder of the Initial Term;
- 15.2.2 where termination occurs before the Service Commencement Date has occurred: any costs or losses sustained or incurred by the Bridge Fibre in respect of the Contract, including (without limitation) all charges incurred or committed to by Bridge Fibre with third party suppliers,
- provided always that the Termination Payment to be paid pursuant to this sub-clause does not exceed the total Charges, which would otherwise be payable by the Customer in respect of the Initial Term.

- 15.3 The Customer acknowledges and agrees that the Termination Payment is based upon Bridge Fibre's revenue expectation, which was reflected in the Charges and is compensatory in nature and not a penalty.

16 CONSEQUENCES OF TERMINATION

16.1 On termination of the Contract:

- 16.1.1 the Customer shall immediately pay to Bridge Fibre all of Bridge Fibre's outstanding unpaid invoices and interest and, in respect of Services supplied but for which no invoice has been submitted, Bridge Fibre shall submit an invoice, which shall be payable by the Customer immediately on receipt;

- 16.1.3 the Customer shall return all of Bridge Fibre Materials and any Deliverables which have not been fully paid for. If the Customer fails to do so, then Bridge Fibre may enter the Customer's premises and take possession of them. Until they have been returned, the Customer shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.
- 16.2 Termination or expiry of the Contract shall not affect any rights, remedies, obligations or liabilities of the parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.
- 16.3 Any provision of the Contract that expressly or by implication is intended to come into or continue in force on or after termination or expiry of the Contract shall remain in full force and effect.

- 17.3 Confidentiality.
- 17.3.1 Subject to 17.3.4, each party undertakes that it shall not at any time during the Contract, and for a period of five years after termination of the Contract disclose to any person any confidential information concerning the business, affairs, customers, clients or suppliers of the other party, except as permitted by clause 17.3.2.

17.4 Entire agreement.

17.4.1 The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.

17.4.2 Each party acknowledges that in entering into the Contract it does not rely on and shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract. Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in the Contract.

17.6 Waiver.

A waiver of any right or remedy under the Contract or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent breach or default. A failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under the Contract or by law shall prevent or restrict the further exercise of that or any other right or remedy.

17.7 Severance.

If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.

17.8 Notices.

17.8.1 Any notice or other communication given to a party under or in connection with the Contract shall be in writing and shall be delivered by hand or by pre-paid registered first-class post or other next working day registered delivery service at its registered office (if a company) or its principal place of business (in any other case); or sent by email (with request for a read receipt), in the case of Bridge Fibre sent to contracts@bridgefibre.co.uk and in the case of the Customer sent to the email address notified to Bridge Fibre for this purpose.

17.11.2 The commencement of mediation shall not prevent the parties commencing or continuing court proceedings in relation to the Dispute under clause 17.13 (Jurisdiction) which clause shall apply at all times.

17.11.3 Alternatively, Small Business Customers may want to contact the alternative dispute resolution provider used by Bridge Fibre. Alternative dispute resolution is a process where an independent body considers the facts of a dispute and seeks to resolve it, without the parties having to go to court. Small Business Customers can submit a complaint to the Internet Service Providers Association (ISPA) via their website at <https://www.ispa.org.uk/consumers>. ISPA will not charge Customers for making a complaint and if the Customer is not satisfied with the outcome, they can still bring legal proceedings.

17.12 Governing law.

The Contract, and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

17.14 Rights and remedies.

The rights and remedies provided under these Conditions are in addition to, and not exclusive of, any rights or remedies provided by law.
